LETTER TO EDITOR

Dear Editor,

I just had my blood boil. I read about Bill Ayers and the other 40 thugs who get to get 7,365 dollars paid to you and the citizens of the borough. I am one of the 50 other volunteers who are not pictured!

Sincerely,

LETTER TO EDITOR

Dear Editor,

Enclosed is my payment for my subscription to the Forest City News for the year 2016. I have been a subscriber for many years and it is one of the few newspapers that I read. I appreciate the work that goes into putting together a great newspaper.

Sincerely,

Dear Editor,

Thank you for giving the readers an opportunity to share their valuable information from their hometown. It is heartwarming to see how much we love our hometown. It provides lots of facts we didn’t know before and truly appreciate your efforts.

LETTER TO EDITOR

Dear Editor,

I have included a photo of my grandson, William, in his Forest City baseball uniform in the back to the 2018 season. He probably played his last game in that uniform.

LETTER TO EDITOR

Dear Editor,

I just read about the Gas Line being hooked up for about two years. It was supposed to be ready for about two years ago. I am concerned about this project and would like to know more about it.

LETTER TO EDITOR

Dear Editor,

I would like to express my concern about the trash pickup in our neighborhood. It seems like the garbage is not being picked up on time.
