Please welcome Chet, our newest Manager to the Kost Family!

Kost Tire & Auto Service Welcomes Chet Wasileski as the new service manager of our Forest City location. Chet is a long time resident of Forest City and comes to us from MAQUET Cardiovascular where he was the service manager for Life Support Devices for nearly 15 years. He is currently the president of the Northern Wayne Outdoor ATV Club and enjoys spending time outdoors with his three children, Sophie, Matthew, and Luke.

Although Chet's position as service manager of one of the country's top medical equipment companies was steadily growing, and his area of responsibility steadily expanding, his family was suffering. His wife and young children needed more of Chet. Chet has been in training at our Kost Tire store in Clarks Summit for several weeks. There is a lot to learn, but Chet is a fast learner. Chet loves Forest City, loves the outdoors, and loves people. Stop in and say hello! We are proud to welcome Chet into the Kost Tire family. Chet and Tim will take good care of you and your tire and auto service problems.

Thank You, Erwin Kost Sr.

Chet Wasileski Service Manager
