REAL IDs Available in Spring 2019

The Pennsylvania Department of Transportation (PennDOT) reminds customers that there are proactive steps that they can take now to help prepare for when REAL ID-compliant driver’s licenses and ID cards are available to customers who want them in spring 2019.

A federally accepted form of identification (whether it’s the forthcoming Pennsylvania REAL ID driver’s license or ID card, a U.S. Passport/Passport Card, a military ID, etc.) must be used as identification to board a commercial flight or visit a secure federal building on and after October 1, 2020.

“PennDOT is designing its REAL ID process to be as streamlined as possible, with customer convenience at the forefront,” said Secretary of Transportation Leslie S. Richards. “Between now and when REAL ID is available, I would encourage our 10.7 million driver’s license and identification card holders to consider whether REAL ID is right for them, and make sure their required documents are in order.”

If a customer decides that they do want a REAL ID, federal regulations require that to be issued a REAL ID-compliant product, PennDOT must verify the following documents:

Proof of Identity (Original or certified copy of a birth certificate with a raised seal or valid U.S. Passport)

Proof of Social Security Number (Social Security card)

Proof of all Legal Name Changes (Marriage license or court order issued by your county’s family court)

Two Proofs of Current, Physical PA Address (Current, unexpired PA license or ID and a no more than 90-day-old bank statement or utility bill with the same name and address).

The competition teaches students about investing and encourages financial literacy through hands-on activities in the classroom.

The schools invited to participate are Canaan Christian Academy, Carbondale Area, Delaware Valley, Forest

City Regional, Wallenpack Area, Wayne Highlands and Western Wayne High Schools. The game will begin on February 5, 2018 and will end on May 15, 2018.

There is a sad note in the literary world with the start of the New Year. To all of her devoted Fans, Author Sue Grafton passed away on December 29th. Her Daughter, Jamie posted this heartfelt note on Facebook for all of her Readers which I wish to share with you:

“I am sorry to tell you all that Sue passed away last night after a two year battle with cancer. She was surrounded by Family, including her devoted and adoring Husband, Steve. Although we knew this was coming, it was unexpected and fast. She had been fine up until just a few days ago, then things moved quickly. Sue always said that she would continue writing as long as she had the juice. Many of you also know

that she was adamant that her books would never be turned into movies or TV shows, and, in the same vein, she would never allow a ghost writer to write in her name. Because of all of those things, and out of the deep, abiding love and respect for our dear sweet Sue, as far as we, in the Family, are concerned, the alphabet now ends at Y.”

Your local Forest City Library has “Sue’s Alphabet” from A through and including Y on its shelves, as well as the novel, “Kinsey and me: Stories” for your enjoyment. May we keep her Family in our Thoughts and Prayers and her talent alive for future Readers.
