LETTERS TO EDITOR

Dear Editor:

Whether you believe there exists a crisis at our Southern Border depends on whether you like him or despise him, our current President, Donald J. Trump, the Pragmatic Non-Politician.

I only know from what I research, every month thousands of Illegal Aliens are attempting to break U. S. Law and enter the USA. Nothing can be 100% efficient in stopping the Illegal Aliens, Drug Smuggling and Sex Traffickers, but a Southern Border Wall will be extremely effective.

Democrats and the Liberal Press and Media have no answers for border security. They only know how to hide facts, evidence and truth from the American population and to nastily disparage and ridicule this President.

I never realized that jealousy could result in such ugliness on the Left. Do you ever hear of the homeless epidemic in California? Miles of sidewalk tent cities in most major cities? And in Los Angeles, this, along with the trash, human waste, and rats has yielded over 200 cases of Typhus; this Medieval Disease breeding in LA's Typhus Zone.

Don't you believe that years of Illegal Alien crossings have affected the cost of our national public education system, even here in NEPA? Recent estimates show Hispanic students comprise 25% of U.S. student population--near 50% in California--and in our own area, approximately 26% in the Scranton School Area, 28% in Wilkes-Barre School Area and over 50% in the Hazleton School Area, and comprises the vast majority of English Language Learners.

Public education is "free" but at what cost to U.S. Taxpayers? Wake up America, they are here and, unless there is a Southern Border Wall, more and more will become a burden on America.

New code firm For FC Borough

Forest City Borough formally hired NEIC Northeast Inspection Consultants to provide building permits and inspections for the Borough. BIU is the present firm for building permits and inspections, and now both will be used as needed.

Residents seeking such permits and inspections have their choice of which firm to handle their application requests.

Borough Solicitor Paul Smith suggested that a section of the BIU contract be changed which required BIU to conduct all inspections. A representative of BIU agreed to the change. Permit requests can be made thru the Forest City Borough Office in the Borough Building.
